As an independent movement, CBG continues to make waves in the music scene with their unique blend of Afrobeat and contemporary sounds.

On the other hand, “E Finish” is a perfect party anthem, merging the new contemporary African sound of Amapiano with eccentric sounds. It’s the ultimate summer party track that will get everyone on the dance floor.

Certified Bad Guyz are known for their ability to blend Nigerian cultural heritage with contemporary influences, creating a sound that is both unique and captivating. With “Aza” and “E Finish,” they continue to push the boundaries of Afro fusion music.
