

Chris Carlson, MD, FACS, Expert General Surgeon, Enhancing Patient Care at Augusta Surgical Center

Elevating Surgical Care Through Experience and Innovation

New York City, New York Jun 6, 2024 ([Issuewire.com](https://www.issuewire.com)) - A distinguished general surgeon at Augusta Surgical Center in Augusta, Georgia, Dr. Carlson continues to elevate patient care standards through his expertise in minimally invasive and robotic surgery techniques. Specializing in hernias, gastrointestinal issues, and weight loss surgery, he brings over two decades of experience to his practice.

A graduate of the Medical College of Georgia, he completed his residency in general surgery from 1997 to 2003, honing his skills in complex surgical procedures. Prior to that, he completed an internship at the University of California (San Diego) Medical Center, further solidifying his foundation in surgical medicine.

As a testament to his dedication to excellence, Dr. Carlson is a board-certified surgeon by the American Board of Surgery and a Fellow of the American College of Surgeons (FACS). His membership in the American Society of Metabolic and Bariatric Surgery underscores his specialization in weight loss surgery, showcasing his commitment to staying at the forefront of advancements in the field.

With a focus on minimally invasive techniques and robotic surgery, he is at the forefront of surgical innovation. His expertise in addressing abdominal wall hernias, gastrointestinal disorders, and weight loss procedures sets him apart as a leader in the surgical community. His tenure of over twenty years at Augusta Surgical Center exemplifies his unwavering dedication to his patients' well-being. By employing a diverse range of treatment modalities, he ensures that each patient receives personalized care tailored to their unique needs.

Patients seeking surgical solutions can trust Dr. Carlson's expertise, compassion, and commitment to excellence. With a reputation for delivering exceptional outcomes and compassionate care, he continues to redefine the standard of surgical excellence at Augusta Surgical Center.
