

Coocinac Inc. Launches in Los Angeles: Revolutionizing Healthy Snacking with Innovative Naturolls

Innovative no-bake energy bites designed to resemble sushi rolls, made with organic dried fruits and nuts

Los Angeles, California Jul 2, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Coocinac Inc., a Los Angeles-based company, is excited to announce its launch, offering a fresh and innovative approach to healthy snacking with its unique product, Naturolls. Specializing in dried fruits and nuts, Coocinac aims to cater to the growing demand for organic, natural, and delicious snack options.

Coocinac's Naturolls are a standout product, designed to resemble sushi rolls while being packed with the goodness of organic dried fruits and nuts. These bites are crafted with love in Los Angeles and are perfect for coffee shops and retail stores focusing on healthy, wholesome products.

"Consumers today are more health-conscious than ever, seeking snacks that are both nutritious and tasty. At Coocinac, we are committed to providing high-quality, organic options that meet this demand," said Melania Galstyan, Founder and CEO of [Coocinac Inc.](https://www.Coocinac.com) "Our Naturolls are a testament to our dedication to innovation and health, offering a unique snacking experience that delights the senses."

Coocinac's launch comes at a time when the market for healthy snacks is booming. With increasing awareness about health and wellness, Coocinac is perfectly positioned to meet this demand with its unique product offerings.

At this moment, Coocinac Inc. is actively seeking partners, distributors, and retail networks to expand its

reach and bring its healthy snacks to a broader audience. Interested parties are encouraged to reach out and explore potential collaboration opportunities.
