

Corptec Technology Partners Achieves Gold Status In Atlassian's Partner Program In The U.S.

Corptec Technology Partners, a leading Atlassian Gold Solution and Implementation Partner based in Melbourne, Australia, is proud to announce its new status as an Atlassian Gold Partner in the United States.

Austin, Texas Jun 23, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Corptec Technology Partners Achieves Premier Status as Atlassian Gold Partner in the USA!

Corptec Technology Partners, a leading Atlassian Gold Solution and Implementation Partner based in Melbourne, Australia, is proud to announce its new status as an Atlassian Gold Partner in the United States.

Atlassian's elite title of Gold Partner is awarded to Atlassian solution partners that demonstrate extensive knowledge of Atlassian products, have a proven track record of customer satisfaction, and exhibit a strong commitment to ongoing training and professional development.

Achieving this honour is a significant milestone in Corptec's journey, that started its association with Atlassian in the year 2018. Over the years, our team of Atlassian experts have been consistent and committed to delivering exceptional solutions and services to our clients, regardless of the complexity of their challenges.

Achieving Gold status for our U.S. consultancy in Atlassian's Partner Program reinforces our strong partnership with Atlassian and allows us to elevate our commitment to the Atlassian community.

Biret Agirtan, Managing Director and Principal Atlassian Consultant at Corptec, spoke about the recognition, stating, *"It's truly an honour to witness our team's collective efforts culminate in this new milestone for our U.S. entity. Being among the select few Atlassian partners to receive this status speaks volumes about our dedication and drive."*

He added, *"At Corptec Technology Partners, we strive to provide our clients with the best tools and solutions to enhance their business processes and improve productivity. We are excited to continue leveraging Atlassian's robust suite of products to drive success for our clients. Now having achieved the Gold Partner status in both Australia and the United States, we are at present, better positioned to provide top-notch service and support to even more Atlassian customers worldwide."*

As a Gold Partner, Corptec Technology Partners will now have access to exclusive resources, training, and support from Atlassian, enabling our team to offer enhanced services and solutions tailored to the unique requirements of our clients in the United States. Moreover, this partnership will allow Corptec Technology Partners to provide even more value through advanced product knowledge, superior support, and innovative solutions that drive efficiency and growth.

[Atlassian's product suite](#), including Jira, Confluence, JSM, and Trello, is widely recognized for its ability to streamline workflows, foster collaboration, and improve project management. As Atlassian's select Gold Partner in U.S.A, Corptec Technology Partners is now well-equipped to help organizations of all sizes implement and optimize these tools to achieve their business goals.

Clients working with Corptec Technology Partners, U.S.A. can expect expert guidance in:

- Selecting and implementing Atlassian products
- [Atlassian license audit](#), hygiene report, and optimization services
- [Complimentary AI-enablement session](#) to seamlessly integrate AI with Atlassian tools
- 7-step [easy Atlassian cloud migration](#) and managed services
- Atlassian product license benefits, optimization, and instance audits
- Implementation, ad-hoc support, best practice advisory, and training
- Setting up the right licensing structure and configurations for agile project management
- Designing and implementing Atlassian solutions using JIRA, Confluence & JSM, and implementing SAFe Agile Framework with Jira
- Continued innovation and best practices in IT and project management

As Corptec starts a new chapter in its growth with Atlassian, we hope to leverage our expertise in empowering clients with the latest Atlassian product discovery tools and in fostering the adoption of AI-integrated Atlassian products for a uniquely enhanced customer experience.
