

David Lagrew Jr., MD, Fellowship-Trained Maternal-Fetal Medicine Specialist and Clinical Informaticist

Elevating Maternal Fetal Medicine at Hoag Women's Health Institute

New York City, New York Jun 14, 2024 ([IssueWire.com](https://www.issuewire.com)) - As the Chief of Service of Maternal Fetal Medicine at Hoag Women's Health Institute, Dr. David Lagrew Jr., brings decades of expertise and a passion for improving women's health to his role. Specializing in perinatology, he is dedicated to providing personalized, integrated care to women at every stage of their health journey.

Founded on the principles of prevention, wellness, and treatment, the Hoag Women's Health Institute is a beacon of excellence in women's healthcare. Its multidisciplinary team of exceptional providers leverage leading-edge technology and facilities to ensure that women receive the highest quality care possible.

A native of Lexington, Kentucky, Dr. Lagrew Jr. earned his Medical Degree from the University of Kentucky College of Medicine in 1979. He completed his internship and residency in obstetrics and gynecology at University Hospital in Lexington before pursuing a fellowship in maternal-fetal medicine at the University of California, Irvine Medical Center.

With an illustrious career in the medical field, Dr. Lagrew Jr. has held key leadership positions at prestigious institutions, starting with his role as Medical Director of Women's Hospital at Saddleback Memorial Medical Center from March 1988 to March 2010. Concurrently, he served as Medical Director at Long Beach Memorial Medical Center from January 1996 to March 2012.

Following these roles, Dr. Lagrew Jr. became Chief Integration and Accountability Officer at MemorialCare Health System from March 2010 to April 2016, also holding the title of Chief Integration and Accountability Officer from 2011 to 2012. Subsequently, he served as Executive Medical Director of Women's Services at Providence, St. Joseph Health from October 2016 to July 2022. Most recently, Dr. Lange has been a Board Member at Cern Corporation since May 2021.

Board certified in obstetrics and gynecology, maternal-fetal medicine, and clinical informatics, Dr. Lagrew Jr. is a distinguished member of professional organizations such as the American College of Obstetricians and Gynecologists, the Society for Maternal-Fetal Medicine, and the Pacific Coast Obstetrical and Gynecological Society.

Continuing to contribute to the advancement of medical knowledge, Dr. Lagrew Jr. is a prolific author of peer-reviewed publications and book chapters, solidifying his reputation as a thought leader in perinatology.

For women seeking compassionate, expert care in maternal-fetal medicine, Dr. David Lagrew Jr. and the Hoag Women's Health Institute stand as beacons of hope and healing, dedicated to empowering women to lead their healthiest, happiest lives.
