

Emeritus Announces Gold Level Sponsorship of HTMA-NTX

Richardson, Texas Jun 11, 2024 ([Issuewire.com](https://www.issuewire.com)) - Emeritus, a leading provider in healthcare services, is proud to announce its Gold Level sponsorship of the Health Technology Management Association of North Texas (HTMA-NTX). This partnership underscores Emeritus's commitment to advancing the field of healthcare technology management and supporting the professionals dedicated to enhancing patient care through innovative technology solutions.

As a Gold Level sponsor, Emeritus will play a pivotal role in the various initiatives led by HTMA-NTX,

including educational programs, networking events, and community outreach efforts aimed at promoting excellence and innovation in healthcare technology. This sponsorship not only highlights Emeritus's dedication to the healthcare industry but also its commitment to fostering professional growth and development within the HTMA-NTX community.

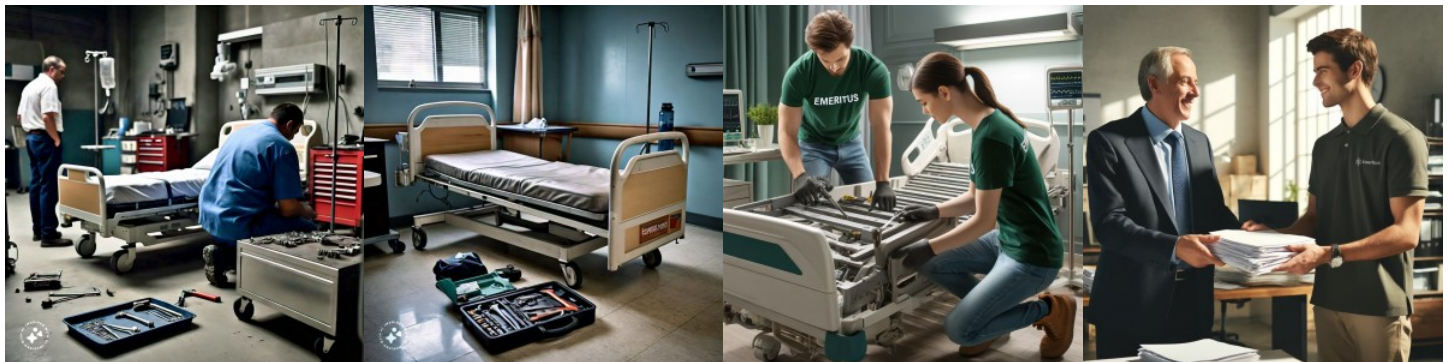

About Emeritus:
