

Fore-té Expands Distribution with Launch on Carbon38's Website

Chicago, Illinois Jun 19, 2024 ([Issuewire.com](https://www.issuewire.com)) - Fore-té, the innovative activewear brand known for its blend of style and functionality, is pleased to announce its availability on [Carbon38](https://www.carbon38.com)'s esteemed online platform. Customers can now purchase Fore-té products directly through Carbon38's website, further expanding access to their premium activewear collections.

The partnership with Carbon38 represents a significant milestone for Fore-té, as it aligns with the brand's commitment to making high-quality activewear, focused on club sports, accessible to a broader audience. Carbon38, renowned for curating the latest trends in fitness apparel and athleisure, provides an ideal platform for Fore-té to showcase its products to fashion-forward and health-conscious consumers alike.

Carbon38 has a "Club Sports" section on their website which means Fore-té as a brand aligns with how their customers are shopping. From playsuits engineered for maximum flexibility and support to skirts that seamlessly transition from the court to casual outings, Fore-té offers apparel that meets the demands of modern lifestyles.

"We are thrilled to partner with Carbon38 and make Fore-té available to customers focused on an active, on-the-go lifestyle," said Andrea Wroble, Founder & CEO of Fore-té. "Carbon38's commitment to quality, innovation, and capturing day-to-day style in activewear aligns perfectly with our brand values. This collaboration allows us to reach a wider audience of club sports enthusiasts who appreciate both style and functionality in their wardrobe choices."

Founded on the principles of performance, style, and versatility, Fore-té continues to elevate the activewear market with its commitment to bringing modern trends for women to the outdated industry of golf and racquet.
