

Gaby Daboul, MD: Illuminating Patient Care and Medical Education

Board Certified Internal Medicine Hospitalist in Yonkers, New York

New York City, New York Jun 18, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Gaby Daboul is making a significant impact in the field of internal medicine as a dedicated hospitalist at both Montefiore Nyack Hospital and Saint Joseph's Medical Center/St. Vincent's Hospital Westchester Division. His mission is clear - to treat each patient as if they were his own family, with love and compassion.

Graduating with his Medical Degree from Aleppo University School of Medicine in Syria in 2011, Dr. Daboul brings a unique perspective and unwavering commitment to his practice. His journey to the United States was not without challenges.

Hailing from a family of farmers in Syria, Dr. Daboul experienced the hardships of war firsthand while serving in hospitals during turbulent times. Despite facing adversities such as doctors being kidnapped to tend to wounded rebels, he remained steadfast in his pursuit of a better future. With gratitude for the opportunities afforded to him in the U.S., he is dedicated to giving back to his community and supporting his family back home.

During his residency in internal medicine at Wyckoff Heights Medical Center from July 2017 to June 2020, Dr. Daboul honed his skills and embraced a mentorship approach to teaching residents. Drawing from his own experiences as a resident, he understands the challenges and strives to provide unwavering support to upcoming medical professionals. For Dr. Daboul, teaching is not just about imparting knowledge but also about nurturing a sense of responsibility and empathy towards patients.

Dr. Gaby Daboul, MD, stands as a beacon of hope and inspiration in the medical community, embodying the values of dedication, resilience, and compassion. His unwavering commitment to his patients and residents serves as a testament to his passion for healing and teaching. In a world where healthcare professionals are more crucial than ever, Dr. Daboul's presence shines brightly, illuminating a path of excellence for all aspiring medical professionals to follow.
