

Get Grooving With the Charming Vibes of Veelito in His Latest Release ‘Follow God’ Featuring Anisha Nicole

With some exquisite rapping verses, Veelito emerged with another extremely powerful release, ‘Follow God’ for this number he has worked with Anisha Nicole.

Bronx, Jun 13, 2024 ([Issuewire.com](https://www.Issuewire.com)) - The rapid lines of **Veelito** are back in this latest release, '[Follow God](#)' joining forces with Anisha Nicole. Being a Christian hip-hop artist, his songs have always been extremely generous and always had a touch of godliness. In this release as well he is on his one true mission to glorify God even further which he does in the most effortless way. The beautiful presence of Nicole makes the song even more enjoyable and the grooving vibes of this release will linger a lot longer.

The godly hip-hop release, '**Follow God**' is written by Angelo Melendez, the seamless musical touch has surely become the most thriving part of this release. For this release, he has worked with his production label Swat777inc. The music of this number causes a very tingling sensation which is nothing but your love and devotion to God. His works are widely prolific and he surely makes it seem easier to invest your time in his powerful releases winning the hearts of many music lovers across the globe.

With his previous releases, **Veelito** has made sure everyone gets to witness the love he has for God. Releases like '**Lay Down My Life for My Lord**', '**The Holy Spirit Right Here**', '**Paul Washer God Is Good Your Not**', and '**Love Is Pain**', have showcased his immense talent and his devotion as well. In his words, God has changed his life and he is taking this opportunity to show his lover for him. To know more you can find him on [Spotify](#), [Facebook](#), and [Instagram](#).
