

Internist Ricky J. Sayegh, MD, FACP, MBA, Combines Clinical Expertise and Leadership in Healthcare Administration

A Visionary Leader Shaping the Future of Healthcare

New York City, New York Jun 27, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Sayegh, a distinguished internist practicing in New York, is making waves in the medical field with his unique blend of clinical and executive experience.

With extensive educational qualifications, he holds a Physician Executive MBA in Healthcare

Administration, enhancing his ability to not only provide top-notch clinical care but also lead healthcare organizations effectively. His educational journey includes a MBA from the University of Tennessee, Knoxville in 2015, a MD from SUNY in 2001, and a degree from Universidad Autonoma de Guadalajara Facultad de Medicina in 2000.

As a board-certified internist by the American Board of Internal Medicine, Dr. Sayegh's areas of expertise and specialization include critical care, trauma, and emergency medicine. His commitment to excellence is further demonstrated by his certification as a Medical Examiner and his fellowship with the American College of Physicians (FACP).

In addition to his clinical work, he is an active member of several prestigious professional organizations, including the American Academy of Medical Administrators, American College of Emergency Physicians, and American College of Cardiology New York State Chapter, among others.

When asked about the secret to his success, Dr. Sayegh humbly attributes it to "hard work and diligence." Despite his demanding career, he finds solace in spending quality time with his family and unwinding in his favorite vacation spots, Spain and Mexico.
