

JioGenNext Selects Dista in its MAP'24 Cohort of Top GenAI Startups

Dista is part of JioGenNext's MAP' 24, a cohort of 10 generative AI startups poised to redefine industries in India.

Pune, Maharashtra Jun 3, 2024 ([Issuewire.com](https://www.issuewire.com)) - [Dista](#), an AI-enabled location intelligence platform, has been selected to participate in the prestigious JioGenNext's Market Access Program (MAP) 2024 Cohort, a startup accelerator program focusing on generative AI technology.

[Shishir Gokhale](#), CEO and Co-founder of Dista said, "This recognition pushes us to continue making strides in the location space with our patented technology and AI/ML-powered location-intelligent product suite. Thank you, JioGenNext, for believing in our vision. We're committed to making strides in the location space, unlocking new possibilities for global businesses across industries with geospatial analytics."

Dista was among the top 10 startups across industries like BFSI, healthcare, logistics, etc. That was included in the MAP'24 cohort. As part of the program, JioGenNext offers mentorship and resources to Dista to accelerate and propel our journey.
