

Kalpa Nuwan Appointed as Director of Pixel Cube: Revolutionizing Digital Media

Western Province, Sri Lanka Jun 15, 2024 ([Issuewire.com](https://www.issuewire.com)) - Pixel Cube is thrilled to announce the appointment of Kalpa Nuwan as its new Director. With a wealth of experience in video editing, graphic design, and YouTube content creation, Kalpa Nuwan is poised to lead Pixel Cube to new heights in the digital media landscape.

Born on September 28, 1994, Kalpa Nuwan has established himself as a multi-talented professional, known for his innovative approach to visual storytelling. His journey began at Holy Cross College Kalutara and culminated in his graduation from the University of Peradeniya, Sri Lanka, where he earned a degree in Engineering Geology. This unique combination of technical expertise and creative vision has enabled Kalpa to deliver exceptional results across various projects, earning him a stellar reputation in the industry.

Kalpa's professional journey is marked by notable experiences, including his work with influencers, YouTubers, and artists from the USA, Australia, Canada, the UK, Japan, Germany, Switzerland, Australia, India, and Sri Lanka. He has also been involved in pioneering AI web developments, dedicated to revolutionizing content creation for everyone.

As a producer of new songs, Kalpa shares his musical creations on platforms like Spotify and YouTube Music, showcasing his versatility and creative prowess. His music can be explored on [Spotify](#) and [Youtube music](#).

In 2020, Kalpa founded Pixel Cube with a small team, and under his leadership, it has grown significantly, now employing over 20 full-time professionals. His vision for Pixel Cube includes plans to branch out in the USA in 2024, collaborating with Jarrod Sims, Corporate Alliance Executive, to expand the company's global footprint.

Kalpa's diverse background includes his early career as a trainee at Geo Engineering Consultants Pvt Ltd in Malabe, work on the Uma Oya Project in Mapping with guidance from Dr. Jagath Guinathilaka at the University of Peradeniya, and contributions to the Gin-Nilwala project as a geologist. He also worked with Winije International Company (Private) Ltd as a geologist until 2020.

"I am honored to take on the role of Director at Pixel Cube," said Kalpa Nuwan. "I look forward to leading our talented team and continuing to push the boundaries of what's possible in video editing, graphic design, and content creation. Our goal is to deliver innovative and impactful solutions that meet the evolving needs of our clients."

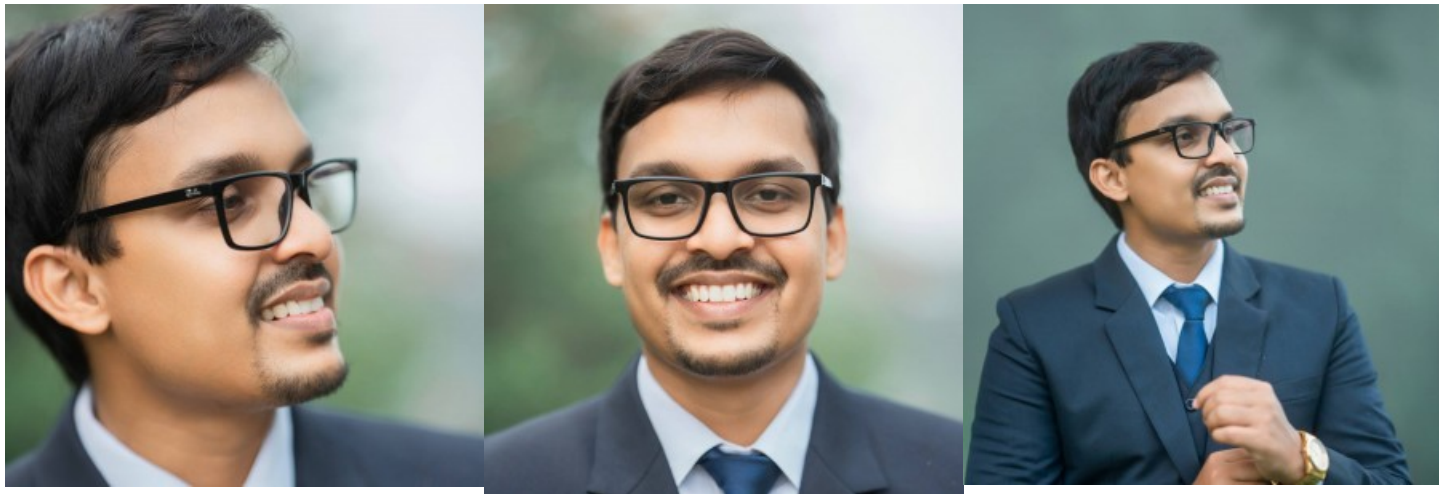

Pixel Cube is dedicated to staying at the forefront of digital media trends, and under Kalpa's leadership, the company is set to enhance its service offerings and deliver even greater value to its clients. As an entrepreneur and visionary, Kalpa is committed to fostering a culture of creativity, collaboration, and continuous improvement within the organization.
