Our gastroenterologists are board-certified by ABIM and are the best gastroenterology specialists. Well-known in the neighborhood as top GI doctors specializing in preventing, diagnosing, and treating digestive disorders, they deliver highly personalized and comprehensive care. Our gastroenterologist's philosophy regarding the doctor/patient relationship is based on trust and has earned them one of the most respected reputations in New York City. Financial

District-based Gastroenterology practice serves the Lower Manhattan/Downtown Manhattan community, including nearby neighborhoods Lower East Side, Tribeca, Chinatown, Battery Park City, and Soho.

At Manhattan Gastroenterology, specialists utilize the latest technological advancements, including the state-of-the-art Quintron Breath Analyzer diagnosis of lactose, fructose, and small intestinal bacterial overgrowth that has been shown to demonstrate effectiveness in the treatment and management of Irritable Bowel Syndrome (IBS). They also offer a minimally invasive, non-surgical laser hemorrhoid treatment called IRC or infrared coagulation that is safe and effective.

Through the integrative approach, they spend the time necessary to analyze and treat difficult digestive issues often overlooked in today's fast-paced healthcare environment.

We offer services such as:
