

Michael Rutland Tucker, MD, Leading Expert in Regenerative Medicine

Furthering Innovate Autologous Regenerative Therapies at RegenLab USA

New York City, New York Jun 17, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Tucker, a highly accomplished physician specializing in regenerative medicine, brings a wealth of knowledge and experience to RegenLab's cutting-edge initiatives in autologous regenerative therapies.

RegenLab is renowned as a global leader in the development of innovative medical devices for

autologous regenerative medicine. Their pioneering products, including Platelet-Rich Plasma (PRP), autologous thrombin, cell therapy, and combined therapy with hyaluronic acid, have revolutionized treatment outcomes for patients across various therapeutic areas. With patented technologies available in over 160 countries worldwide, RegenLab has successfully treated over 2 million patients, with a focus on musculoskeletal, dermal, wound care, and intimacy-related conditions.

Dr. Tucker's impressive academic background includes a Medical Degree from The Brody School of Medicine at East Carolina University. As an active member of prestigious medical associations such as the American Medical Association and the UNC-Chapel Hill Alumni Association, he has demonstrated a commitment for continuous learning and professional development.

Throughout his career, Dr. Tucker has been involved in a wide range of impactful projects, including BioBridge International Webinars, Campbell University Sports Medicine Fellowship Journal Club, Cardinal Health Outreach Program, COVID-19 Convalescent Plasma Project, DentaSpa Biologics Training Seminars, Distributor Training Programs, Evans Army Community Hospital Biologics Training Program, Medical Affairs Communications, NYU Langone Dermatology Residency Biologics Training Program, St. Joseph's Medical Center Podiatric Surgeon Fellowship Biologics Training, Stryker Knee Masters Orthobiologics Course, The Orthobiologics Institute (TOBI) Virtual Symposium, and University of Texas Medical Branch Biologics Training Program, showcasing his relentless dedication to patient care and medical innovation.

With Dr. Tucker's wealth of expertise and commitment to excellence, RegenLab looks forward to further enhancing their innovative therapies and expanding their impact on patients worldwide.
