Milan, Italy Jun 13, 2024 ([Issuewire.com](https://www.issuewire.com)) - Michele Lattanzio, aka Reverendo Secret, is a talented musician who understood the ultimate truth of music, that it is omnipresent. He managed to express spirituality through music with his newest single 'IL SENSO' and cemented a very creative and respected impression on his listeners. The musical piece was made in the context of the important announcement of the canonization of Blessed Carlo Acutis which joins its harmony with this sacred

moment to deliver spiritual elements of profound relevance. The figure of the artist, almost like a contemporary narrator with sacred vibrations, stands as a bridge between earthly reality and the celestial dimension. This helped the song transmit the Eucharist's sacredness and the spiritual journey's profound meaning.

Through the poetic notes of the song, the artist paints an imaginary in which the Eucharist becomes the fulcrum. Around this, the entire narrative reveals the divine presence in everyday life and the radiant light that shines beyond the shadows of human existence. The words "HANDS SEEKING SMILES" carry significant importance which later transformed into a call to seek consolation and joy, evoking the very essence of communion and solidarity. With the effortless delivery of the message of "REVERENDO SECRET CHOSE CARLO," the artist created magic with his latest release.

Amanda Archetti the general manager of SilkMusicRecord is attentive to social and emotional issues and finds herself in line with the ideals of Carlo Acutis. Through music and social commitment, this partnership offers a voice to the causes of poverty and marginalization, advancing Carlo's vision of a more inclusive and compassionate world.

The song intertwined with the Saint who conquers the hearts of the young generations becomes a tribute to the sacredness of the Eucharist. It is a reflection of the spirituality and generosity that permeates the life and work of Carlo Acutis, a saint who continues to "INSPIRE AND ILLUMINATE" the paths of anyone who encounters his message of love and faith.
