Campus Developments:

To support the growth and welfare of its student body, MUIT University is investing in major campus developments in addition to academic expansions. Crucial initiatives consist of

Sports centre: Physical education and sports are essential to this university. the students take part in frequent practice sessions under the supervision of qualified coaches. The students compete in an exciting league known as the “Maharishi Premiere League,” which has become quite popular, in addition to competing in and winning several competitions throughout the year. There’s no alternative to the atmosphere and vibe that the practice sessions in the evening under the floodlights provide. A special focus is placed on helping kids develop their overall well-being and lifestyle, as well as instilling in them a sense of sportsmanship and teamwork.

Student Wellness Center: MUIT University is thrilled to announce the opening of its new Student Wellness Center, a state-of-the-art facility dedicated to supporting the holistic well-being of our students. This centre represents MUIT’s commitment to fostering a healthy, balanced, and supportive campus environment.

Academia: The beautifully designed campus, with its captivating aesthetics and never-ending activities, is never dull. We encourage an environment of acceptance and warmth that supports students’ growth as a community. To assist you in achieving your academic and personal objectives, we also provide a range of student services, programs, and other resources.

Quote from University Leadership

“A great amount of scientific research is there to show that health is better because transcendental meditation deals with consciousness, and consciousness is the basic value of all physical expressions. The entire creation is the expression of consciousness”. said, **Maharishi Mahesh Yogi**, he is the founder of Maharishi University.
