

Nick Blickenstaff MD, MS, FAAD: Providing Exceptional Dermatology Care at Ada Dermatology

Board-Certified Dermatologist Brings Expertise to Boise, Idaho

New York City, New York Jun 3, 2024 ([Issuewire.com](https://www.issuewire.com)) - A skilled dermatologist, Dr. Blickenstaff is affiliated with Ada Dermatology, working with patients at their Eagle/Meridian location. Specializing in medical, surgical, and cosmetic dermatology, he is eager to provide top-notch care to the community where he grew up.

His approach to dermatology is centered around providing exceptional care tailored to each patient's individual needs. He takes pride in educating his patients about their skin conditions and involving them in the decision-making process regarding their treatment plans.

Throughout his academic career, Dr. Blickenstaff graduated magna cum laude from the University of San Diego, before pursuing his medical education at the University of Utah School of Medicine, where he obtained a Master of Science in biomedical engineering in addition to his medical degree. Following this, he completed a prestigious dermatopharmacology research fellowship at the University of California, San Francisco.

Subsequently, he embarked on his internship at Providence Sacred Heart Medical Center in Spokane, Washington, before undertaking his residency training in dermatology at Rush University Medical Center in Chicago. During his residency, he excelled as Chief Resident, showcasing his leadership and expertise in the field.

Recognized as a Fellow of the American Academy of Dermatology (FAAD), the doctor is a Diplomate of the American Board of Dermatology (ABD), which is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

Dedicated to advancing dermatology through research, education, and innovation, Dr. Blickenstaff has contributed to numerous peer-reviewed publications and dermatology textbook chapters, as well as holding two medical device patents. He is also an active member of several professional societies, including the American Academy of Dermatology, the American Society for Dermatologic Surgery, the American Medical Association, and the Idaho Medical Association.

Beyond his professional endeavors, he is an active member of the community and enjoys engaging in outdoor activities such as hiking, fly fishing, and scuba diving.
