\$PEPLO token, the leader of the BASED Cartel for On-Chain Summer on the Base blockchain and the Based Cartel spaces, is thrilled to announce its partnership with Jetvoy.com, a leading travel platform with partnerships with Booking.com and TripAdvisor. This collaboration marks a significant milestone for both Peplo and Jetvoy as they join forces to revolutionize the travel and kilomeme distribution experience for enthusiasts worldwide.

Peplo's journey to becoming one of the leading front runners for meme history on the Base chain began with an innovative approach comprising of interactive content spaces and cross project cooperation in June 2024. Taken together it signifies an unwavering commitment to unparalleled content creation with an engaging community-centric mindset capable of weathering the recent chop in the markets and as the future will tell, standing the tests of time. Now, with the partnership with Jetvoy.com, Peplo is expanding his vision beyond the crypto space, bringing the benefits of a strong recognizable brand in cryptocurrency to the world of travel. Why shouldn't you be able to go visit the Hippos with your \$

PEPLO if you kept faith and stood by his side?

Through this collaboration, Peplo holders will gain access to exclusive travel deals and discounts through Jetvoy's partnerships with leading travel providers such as Booking.com and TripAdvisor. Additionally, Peplo's integration with Jetvoy's platform will enable seamless transactions, allowing users to book flights, accommodations, and experiences using their Peplo tokens.

"We are excited to partner with Jetvoy.com to offer our community a unique and seamless travel experience," said Don Peplo Escobar, Jefe of the BASED Cartel. "I am a man of the people, and I believe in the power of collaboration across industry and culture to achieve anything we set our memes to. Those who stick with the BASED Cartel will never be without protection, nor left to seek innovation because we will dominate the airwaves and bring it to the forefront here and now. With Jetvoy's expertise in the travel industry and my personal vision for utter meme domination, I can say but one thing; are you ready for a Peplo BASED Cartel Summer Carbones?!"

Jetvoy.com shares Peplo's commitment to innovation and accessibility, making them the perfect partner to enhance the travel experience for Peplo's holders. By leveraging Jetvoy's extensive network and industry expertise, Peplo aims to empower his sicarios to explore the world while seamlessly integrating cryptocurrency into their travel plans.

"We are excited to partner with Peplo and his BASED Cartelo to offer our users new ways to access exclusive travel deals and discounts," said Elena Vargas, President of Jetvoy.com "By combining Jetvoy's extensive network and partnerships with Peplo's innovative approach to networking and kilomeme distribution, we aim to revolutionize the way people travel and transact in the digital age."

The partnership between Peplo and Jetvoy represents a significant step forward in bridging the gap between travel and cryptocurrency, offering users a seamless and rewarding experience. As both companies continue to innovate and push the boundaries of what's possible, users can expect even more exciting developments in the future.
