

Philip Paty, MD, FACS, Dual Board Certified General and Vascular Surgeon in the Capital Region

Bringing Decades of Experience and a Commitment to Excellence in Vascular Surgery

New York City, New York Jun 18, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Philip Paty, a highly esteemed general and vascular surgeon, serves as the Medical Director of the Non-Invasive Lab at Vascular Health Partners. With a strong presence at the care suites in Amsterdam, Latham, Queensbury, and Saratoga Springs, he also actively practices at the Interventional and Endoscopy Suite in Latham.

Having established himself as a leading authority in vascular health, Dr. Paty serves as an attending surgeon at prominent medical institutions in New York, including Albany Medical Center, Glens Falls Hospital, and Saratoga Hospital. His areas of expertise encompass a wide range of vascular conditions, from arterial insufficiency to carotid artery disease, offering both operative and non-operative therapies to his patients.

Originally hailing from the United Kingdom, Dr. Paty's educational journey led him to a Bachelor of Science Degree from Rensselaer Polytechnic Institute and a Medical Degree from Albany Medical College, where he also performed his residency in general surgery and served as Chief Resident. Driven by his passion for research, he pursued postdoctoral research fellowships in physiology and vascular surgery at Albany Medical College, solidifying his commitment to advancing the field.

As a double board-certified surgeon in general and vascular surgery, Dr. Paty previously served as Chief of Vascular Surgery at St. Peter's Hospital and as the Medical Director of the Karmody Vascular Laboratory at Albany Medical Center. His credentials include being a Fellow of the American College of Surgeons (FACS) and an active member of prestigious vascular societies, including the Society of Vascular Surgery, the Eastern Vascular Society, and the Society of Clinical Vascular Surgery.

With over three decades of experience, Dr. Paty has spearheaded innovative programs to elevate surgical care standards. His dedication to research is evident through his numerous publications, research studies, and scientific exhibits and presentations, all aimed at enhancing the practice of vascular surgery.

Beyond his professional endeavors, Dr. Paty finds solace in activities like golf, Jujitsu, and yoga, showcasing a well-rounded approach to life outside the operating room. His multifaceted expertise and genuine commitment to patient care continue to make him a standout figure in the medical community, earning him the respect of both peers and patients alike.
