

Philippe Paci, MD, Renowned Transplant Surgeon, at Intermountain Transplant Clinic - Canyon Surgical

Dedicated Surgeon Brings Expertise in Transplant Surgery to Murray, Utah

New York City, New York Jun 26, 2024 ([Issuewire.com](https://www.issuewire.com)) - A skilled transplant surgeon, Dr. Paci is affiliated with Intermountain Transplant Clinic - Canyon Surgical, located in Murray, Utah. Patients can now benefit from his expertise and compassionate care, further solidifying the clinic's reputation for excellence in surgical services.

Pertaining to his educational pursuits, he completed his fellowship in abdominal transplant surgery at the prestigious Mayo Clinic in 2021. Prior to that, he successfully finished his residency in general surgery at McGill University in 2019. He holds a Master of Science degree in Biostatistics and a medical degree from McGill University, obtained in 2017 and 2013 respectively. His dedication to continuous learning and professional growth is evident in his extensive academic achievements.

Board-certified in general surgery and hand surgery by the American Board of Surgery in 2021, Dr. Paci brings a wealth of expertise and skill to his practice. His commitment to maintaining the highest standards of patient care and surgical excellence is reflected in his board certifications.

In his local area, he is affiliated with several esteemed hospitals in the region, including Intermountain Medical Center, Primary Children's Hospital, and LDS Hospital. His collaboration with these institutions enhances patient access to his specialized services and ensures comprehensive care for those in need of transplant surgery.
