Utilizing Global Perspective and Local Expertise to Help Clients Find Their Perfect Home

New York City, New York Jun 10, 2024 ([Issuewire.com](https://www.issuewire.com)) - Ravi Shane Oad, a dedicated real estate broker associate at Berkshire Hathaway HomeServices Rocky Mountain Realtors, is on a mission to transform the dreams of home ownership into reality for the residents of Fort Collins.

With a deep-rooted connection to the community and a wealth of experience spanning various sectors of the housing market, Ravi stands out as a beacon of reliability and expertise in the bustling real estate industry. Whether it is navigating the intricacies of the market or providing personalized guidance throughout the buying process, his clients benefit from his comprehensive expertise and genuine care.

Growing up in the picturesque town of Fort Collins, Ravi has always been captivated by the beauty and vibrancy of the area. His passion for assisting individuals in finding their ideal homes in this charming locale is a driving force behind his commitment to excellence. From assisting retirees in embracing the tranquility of the town to guiding families towards creating lasting memories, his dedication knows no bounds.

Having obtained his Bachelor's Degree in Political Science and Business Administration from Colorado State University in 2011, Ravi has honed his skills and knowledge to facilitate seamless transactions for his clients. His diverse professional background, which includes roles as a mortgage loan originator and life and health insurance agent, equips him with a multifaceted understanding of the real estate landscape.

Ravi's global travels to over 45 countries, including Egypt, Indonesia, Bali, India, Pakistan, Cambodia, Italy, Spain, England, Ireland, Japan, Spain, Singapore, Canada, Mexico, Jamaica, Taiwan, Germany, Bahamas, France, Netherlands and more. He has seen the Pyramids and rode on the Nile, been to The Taj Mahal, the Eiffel Tower, the Coliseum in Rome, Angkor Wat Temple, the Vatican, the Statue of Liberty, the Space Needle and Mount Rushmore. While in Cambodia he helped a local school by buying the children new school supplies and a blackboard and bought food for the local villagers to do a BBQ. During Millennium Night he was in front of Big Ben in London as the clock turned to the year 2000! Furthermore, Ravi has been to most of the 50 states. These travels have enriched his cultural awareness and enabled him to forge meaningful connections with individuals from all walks of life. This unique perspective, combined with his personable nature and strong determination, allows him to tailor his services to meet the distinct needs of each client. Ravi has had to overcome some tough situations.

Ravi is also an ICU survivor. In 2013, Ravi got very sick and was in Intensive Care and on a ventilator for 3 weeks. He set a new record for triglycerides at 5,200. This blew up his pancreas and shut his body down and caused long term damage that he's learned to live with. The doctors believed that the reason this happened was because of hypertriglyceridemia and a genetic disorder that made it so his body couldn't filter the triglycerides, and they built up his whole life. It's unheard of because no one could eat or drink enough to have triglycerides in the 5000 range. It's taken him time, but he was able to push himself to get healthy again which is a testament to his willpower and ability to overcome hardships.

As Ravi Oad continues to make a positive impact within the Fort Collins community, his unwavering dedication to helping others achieve their homeownership dreams remains at the forefront of his professional endeavors. With a commitment to excellence and a passion for serving his clients, Ravi stands as a trusted ally for those seeking to embark on the exciting journey of finding their perfect home in Fort Collins.
