

Renowned Neurologist Britany E. Klenofsky, MD, Offers Expert Care for Headache Patients in New York

Making a Lasting Impact on the Lives of Those Suffering From Headaches and Neurological Conditions

New York City, New York Jun 26, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Britany Klenofsky, a distinguished neurologist with specialized board certification in Neurology and Headache Medicine, provides exceptional care to patients at the New York Headache Center. With offices conveniently located in Manhattan, she brings a wealth of expertise and experience to the field of headache medicine.

After graduating from the Renaissance School of Medicine at Stony Brook University, she completed her residency in neurology at Mount Sinai Downtown and fellowship training in headache medicine at the prestigious Mount Sinai Hospital in New York City. Her dedication to patient care and commitment to advancing the field of neurology have earned her recognition as a leading expert in headache medicine.

During her tenure as an attending neurologist at Mount Sinai's Headache Center, Dr. Klenofsky made significant contributions to the field through her research projects and publications in esteemed journals and book chapters. Her excellence in teaching was acknowledged with Residency Teaching awards, and she has been sought after for her insights by media outlets such as Self Magazine.

Her compassionate approach to patient care has endeared her to many in the New York area. She is licensed to practice medicine in New York, New Jersey, and Florida, offering telemedicine services to patients in those states. Her dedication to her patients is matched only by her love for her family, as she resides in New York City with her husband and son.
