

Renowned Pathologist Karen S. Roush, MD, MBA, at Methodist Health System in Dallas, Texas

Bringing a Wealth of Expertise in Transplant Immunology and Blood Banking to Her Role

New York City, New York Jun 21, 2024 ([Issuewire.com](https://www.issuewire.com)) - A highly trained pathologist, Dr. Roush is the Vice Chair of Pathology at Methodist Health System, a position she has held since 2013.

Recognized as a distinguished alumnus of the University of Arkansas For Medical Sciences College of Medicine, she graduated in 1996 before completing her residency in anatomic and clinical pathology at

the prestigious University of Texas Southwestern Medical Center. Her commitment to excellence led her to further specialize in blood banking/transfusion medicine during her fellowship at Emory University School of Medicine.

Dedicated to continuous learning and professional development, Dr. Roush recently attained an MBA degree from the University of Massachusetts Amherst in 2020. This comprehensive educational background equips her with a unique perspective on healthcare management, ensuring that the Methodist Health System remains at the forefront of innovation and efficiency.

Board-certified by the American Board of Pathology in both pathology and blood banking/transfusion medicine, her expertise is unparalleled in the field. Her commitment to advancing the practice of pathology is underscored by her active membership in esteemed organizations such as the Association for the Advancement of Blood & Biotherapies, the Texas Medical Association, the Dallas County Medical Association, the American Medical Association, and the College of American Pathologists.
