

Renowned Periodontist Alicia Valentini, DDS, MS, Raises Dental Care Standards in Houston

Bringing Expertise and Passion for Oral Health to the Community

New York City, New York Jun 6, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Valentini, a distinguished periodontist and Diplomate of the American Board of Periodontology is making waves in the dental industry with her exceptional skills and unwavering dedication to improving oral health. With a holistic approach to oral health, she performs both surgical and non-surgical treatments at The Dentists at 650 Heights in Houston, Texas, ensuring that each patient receives personalized and effective care.

Originally hailing from Argentina, she obtained her Doctor of Dental Surgery degree from the prestigious National University of Cordoba before embarking on a journey to become a leading expert in periodontology. Her extensive training includes a three-year residency at The University of Texas Health Science Center in Houston, where she earned a periodontal specialty certification and a Master of Science Degree.

Throughout her career, Dr. Valentini has been a trailblazer in the field of periodontics, focusing on the prevention, diagnosis, and treatment of periodontal disease. Her expertise extends to treating oral inflammation, gum imperfections, and working with dental implants, offering comprehensive care to her patients.

In addition to her clinical work, she is a respected figure in the dental community, regularly sharing her research and insights at industry events. She is a proud member of prestigious organizations such as the American Academy of Periodontology, the Southwest Periodontal Society, and the Academy of Osseointegration, among others.

When she is not transforming smiles and improving oral health outcomes for her patients, Dr. Valentini enjoys spending quality time with her two sons, Mateo and Pablo. Her dedication to her family mirrors her commitment to her patients - compassionate, unwavering, and focused on creating lasting positive impacts.
