

Shalin Peter's Role in Raspian Enterprises

General Manager

Rajkot, Gujarat Jul 1, 2024 ([Issuewire.com](https://www.issuewire.com)) - Shalin Peter has been associated with [Raspian](#) since its early stages. As the company manager, he has been liaising with the central as well as state government offices, particularly in the areas of firearms marking and physical security.

At Raspian, Shalin has worked as PR and Marketing Head and also as Senior Technical Manager for small arms for Special Forces. He has collaborated with the transfer of technology in metallurgy and assault rifles between Croatia and Austria and Indian Special Forces. He played a pivotal role in weapon testing and feedback gathering between Special Forces and Raspian. He has liaised between defence officials and Raspian for small arms (service pistols, air guns for sports, and assault rifles) and long-range artillery. He has facilitated alliances for sales with DEFPROC and security forces in Africa, Europe, Asia, and Australia. His communication and feedback from Chetak Commandos Gujarat were well appreciated. He has also initiated requests from abroad for Research grants for long-range weaponry.

Shalin's strong networking skills have helped him in acquiring licenses for certain arms and arms deals. He has also participated in various implementations and effectiveness of small arms control programmes. Raspian is a small arms manufacturing unit and also makes new products for defence purposes. The company was launched in 2018. Shalin ensures that Raspian products adhere to stringent quality and safety measures. Shalin's core strengths are his strong interpersonal skills and communication, building strategy for growth, and providing effective market solutions among many others. He has attended a number of Defence expos organized all over the country, some of which are: East Tech 2022 Kolkata, Defexo22 Ahmedabad, Defence Expo 2021 Bangalore, Maharashtra Defence Expo, and Pune 2024.
