

Suhail Alam, MD, Leading the Way in Retinal Care at Barnet Dulaney Perkins Eye Center

Pioneering Excellence Across Arizona

New York City, New York Jun 17, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Suhail Alam, a distinguished board-certified ophthalmologist renowned for his expertise in the medical and surgical care of the retina and vitreous, continues to make significant strides in the field of ophthalmology at Barnet Dulaney Perkins Eye Center in Arizona. With over 12,000 major retinal surgeries under his belt, Dr. Alam is at the forefront of the latest treatments for vitreoretinal diseases and conditions, including age-related macular degeneration, diabetic retinopathy, and retinal detachments.

A prodigious talent from a young age, Dr. Alam's academic journey began with the early acceptance into medical school at the University of Cincinnati School of Medicine after completing his Bachelor's Degree with honors at the age of 19. Following his Medical Degree, he pursued advanced training in ophthalmology at the University of Cincinnati, where he excelled as Chief Resident, and a fellowship in vitreoretinal surgery at the University of California - Davis. His exceptional performance on board exams, scoring in the 99th percentile, underscores his commitment to excellence in his field.

A distinguished member of prestigious organizations such as the American Medical Association, the American Academy of Ophthalmology, the American Society of Retina Specialists, and the Phoenix Ophthalmological Society, Dr. Alam actively participates in national and international research trials, bringing cutting-edge care and groundbreaking treatments such as gene therapy to his patients. His passion for advancing retinal disease management extends to mentoring the next generation of medical professionals through his involvement in medical student education.

Beyond his dedication to patient care and research, Dr. Alam finds joy in spending quality time with his wife and three children. His diverse interests, including photography, calligraphy, the study of ancient history, and technology, reflect a well-rounded individual committed to both personal fulfillment and professional excellence.
