

The DiSTI Corporation Appoints Francisco J. Gonzalez As Program Manager II

Orlando, Florida Jun 18, 2024 ([Issuewire.com](https://www.issuewire.com)) - The DiSTI Corporation is delighted to announce the appointment of Francisco J. Gonzalez as Program Manager II. Francisco brings an extensive background in program management and cybersecurity, highlighting The DiSTI Corporation's dedication to excellence and innovation.

Francisco joins with a proven track record in program management and technical leadership. His experience in managing complex and classified projects positions him to lead initiatives that will enhance the company's standing in 3D virtual training solutions and advanced GUI software tools.

"We are excited to welcome Francisco J. Gonzalez to our team as Program Manager II," said Tom Neary, DiSTI's Director of Programs. "His experience and leadership will be invaluable as we continue to innovate and deliver exceptional solutions to our clients worldwide."

Prior to joining DiSTI, Mr. Gonzalez was instrumental in developing and implementing cutting-edge cybersecurity strategies to protect critical assets and systems from evolving threats. His work ensured the integrity and resilience of infrastructure for companies such as Lockheed Martin, contributing to their leadership in defense and aerospace technology. Additionally, he demonstrated his program management skills by successfully overseeing complex programs at Motorola Solutions and Blackberry.

In his new role, Francisco will work closely with cross-functional teams to ensure the successful delivery of projects designed to meet the specific needs of clients across various industries. His strategic vision and dedication to excellence align seamlessly with The DiSTI Corporation's mission to offer unparalleled solutions that drive success and exceed client expectations.

"I am honored to join The DiSTI Corporation and contribute to its continued growth and success," said Francisco J. Gonzalez. "I look forward to working closely with the talented team here to deliver innovative solutions that meet our clients evolving needs and propel the company to new heights."
