

US&S Secures Major Contract with Prisma Health: A Testament to Strong Relationships and Local Excellence

US&S, a leading locally-owned, Minority- and Service-Disabled Veteran-Owned business, is proud to announce that it has been awarded the contract to service all of Prisma Health's locations in the Upstate of South Carolina.

Greenville, South Carolina Jun 19, 2024 ([IssueWire.com](https://www.issuewire.com)) - US&S, a leading locally-owned, Minority- and Service-Disabled Veteran-Owned business, is proud to announce that it has been awarded the contract to service all of Prisma Health's locations in the Upstate of South Carolina. This significant achievement underscores the company's unwavering commitment to excellence and the strength of the relationships it has cultivated over the past decade.

[Prisma Health](#), the largest healthcare organization in South Carolina, selected US&S for this extensive service contract, highlighting the impressive capabilities and trustworthiness of the local business. Competing against national chains, US&S emerged victorious, demonstrating the unparalleled value of local expertise and dedicated service.

"We are incredibly honored to have been chosen by Prisma Health for this vital contract," said Euleta Alston, President of US&S. "This accomplishment is a direct result of the strong relationships, hard work, and trust we have built over the years. Our commitment to delivering exceptional service and deep understanding of the local community have set us apart."

US&S specializes in providing top-tier janitorial and facility maintenance services, ensuring that every facility they manage is maintained to the highest standards of cleanliness and operational efficiency. The company's dedication to quality service is backed by its ISSA CIMS GB Certification with Honors, a mark of excellence in the cleaning industry, and its status as a Certified Minority Business Enterprise.

"Our comprehensive range of services, from routine janitorial work to complex facility maintenance tasks, allows us to meet the diverse needs of our clients," said Alston. "Being ISSA CIMS GB Certified with Honors signifies our commitment to green building and sustainable practices, further enhancing the value we bring to our clients."

For over 21 years, US&S has focused on fostering strong, lasting relationships with clients and community partners. This dedication to relationship-building has been instrumental in their success, allowing US&S to deliver high-quality services that meet and exceed client expectations.

"Our relationship with Prisma Health is a testament to our company's values and our team's diligent efforts," added Alston. "We believe that by investing in our relationships and understanding the unique needs of our clients, we can provide superior service that truly makes a difference," said Richard Hagins, CEO of US&S.

US&S's commitment to excellence is evident in its comprehensive range of services, which include facilities support, maintenance, and janitorial services. The company's dedication to quality has earned it numerous awards and recognitions, positioning US&S as a thought leader in the industry.

"We pride ourselves on delivering tailored solutions that meet each client's specific needs," said Hagins. "Our team is dedicated to maintaining the highest service standards, and this contract with Prisma Health reflects our commitment to excellence."

The award of this contract to US&S not only highlights the company's capabilities but also inspires other local businesses by demonstrating that locally owned companies can compete with and outperform national chains by focusing on building strong relationships and delivering exceptional service.

"This is a proud moment for US&S and the entire Greenville community," said Hagins. "We look forward to continuing to serve Prisma Health and contributing to the well-being of our community."
