

Women lead differently, AcornOak is recognizing inherently feminine leadership traits in their 20

Nominations open now.

New York City, New York Jun 5, 2024 ([Issuewire.com](https://www.issuewire.com)) - AcornOak is proud to announce the launch of the 2024 Summer Leadership Awards, aimed at recognizing and celebrating the outstanding leadership and contributions of women in various fields.

These prestigious awards underscore AcornOak's mission to redefine leadership by integrating feminine qualities such as compassion, collaboration, and community.

Award Categories

- The Breakthrough Award: Honoring women who break societal constraints to lead authentically in traditionally male-dominated roles or industries.
- The Collective Brilliance Award: Celebrating leaders who build meaningful connections and strengthen affiliations for the collective good.
- The Heartfelt Leader Award: Recognizing women who lead with empathy, emotional intelligence, and a blend of strength and sensitivity.
- The Visionary Award: Highlighting leaders who foster inclusive, co-created visions for the future.

Nominations and Ceremony:

Nominations are open until July 15, 2024, with the winners announced on August 15, 2024. The awards ceremony will take place in September, celebrating the winners with special features on AcornOak's platform and opportunities for them to share their insights as guest speakers at community events.
