[<https://www.aquetramedia.com>] is proud to announce the worldwide public theatrical premiere of its new documentary, “A SEANCE WITH THE QUEENS”, on August 18th, at **Savor Cinema in Ft. Lauderdale**. It is presented by the **FLIFF** (Ft. Lauderdale International Film Festival). The documentary

covers the crisis of the LGBTQ community last year in Florida, as officials tried to enact legislation banning drag and the arts around the state.

From the film's official description:

A Florida woman who some claim to be the world's most powerful psychic medium - and who has accurately predicted and won the lottery over 500 times - holds séances with famous scream queens in an attempt to see if she can heal the community with the supernatural.

The documentary follows a woman named [SARAH SPIRITUAL](#), a powerful psychic medium who has a spiritual center in West Palm Beach, as she meets to heal the community battling with legislation enacted to stifle their very livelihood and artistic freedoms.

Sarah enlists the help of famous drag queens and scream queens, such as “**Nightmare on Elm Street**” and “**Sleepaway Camp**” with drag queens who have appeared on “**RuPaul’s Drag Race**”, and in movies such as “**Hocus Pocus 2**”.

The documentary features scream queens **Lisa Wilcox** (“Nightmare on Elm Street 4: The Dream Master” & “Nightmare on Elm Street 5: The Dream Child”), **Felissa Rose** (“Sleepaway Camp”); and **Tuesday Knight** (“Nightmare on Elm Street 4; “2000 Malibu Road”), and drag queens **Kahmora Hall** (“Hocus Pocus 2”), **Pandora Boxx** (“RuPaul’s Drag Race”), **Kahtya Tension**, **Serenity Jade Paris** (Angeria Paris Van Michaels drag mother), **Jasmine Pryce Lords**, **Prince Trial**. Inkmasters star **Jayvo Scott** also appears.

The drag queens and scream queens join forces with **SARAH SPIRITUAL**, who has predicted and **WON the lotto over 500 times – with proof**, as evidenced in an accompanying reality series she has starred in. Sarah holds a powerful connection to the beyond, owning her own “enlightenment center” in swanky Palm Beach, and having been voted the #1 medium of 2022 by the residents.

Tuesday Knight has re-recorded her iconic song “**Nightmare**”, the title track to “**Nightmare on Elm Street 4**”, the highest grossing film of the original franchise. The remake of the song will be featured in the doc and released in tandem with the premiere of the series. The original song was mired in licensing issues that prevented it from ever charting properly. The remake is produced by **Roman Molino Dunn** (“**AI Love You**” [Netflix]).

Executive producers [ADAM BARTA \(#THE DISH\)](#), [GREGG MALIFF](#) (“**TAN TO 10**”), and [JOJO PAYNE](#) (“**4th & 44/Crossroads**”) help Sarah as she conducts a **real, unscripted drag queen seances** at iconic drag establishment, **HAMBURGER MARY’S** in the heart of Ft. Lauderdale (FL).

We’re bringing together horror legends, drag royalty, and all queens of shapes and sizes in between to help heal this community in peril. This is “**A SEANCE WITH THE QUEENS!**”
