

Andres A. Albornoz, MD, FACP, FAASLD, Joins Medical Specialists of the Palm Beaches as Primary Care Physician

Experienced Internal Medicine/Liver Diseases Physician Offers Primary Care Services in the Palm Beach Area

New York City, New York Jul 12, 2024 ([IssueWire.com](https://www.issuewire.com)) - Medical Specialists of the Palm Beaches (MSPB) proudly welcomes Dr. Andres A. Albornoz, MD, FACP, FAASLD, to their esteemed team of healthcare providers. He brings a wealth of experience in gastroenterology and hepatology, further strengthening MSPB's commitment to providing exceptional primary care services.

A distinguished graduate of the Jose Maria Vargas School of Medicine in Venezuela, Dr. Albornoz has cultivated a diverse medical career spanning multiple countries, including Venezuela, Puerto Rico, and the United States. Notably, he completed a fellowship at the renowned Hadassah Medical Center in Israel, further honing his expertise in the field.

As a Fellow of the American College of Physicians, Florida Chapter (FACP) and the American Association for the Study of Liver Diseases (FAASLD), Dr. Albornoz exemplifies a dedication to excellence in patient care. His affiliations with prestigious medical organizations such as the American College of Gastroenterologists and the American Medical Association underscore his commitment to staying at the forefront of medical advancements.

Dr. Albornoz's contributions to the medical community extend beyond clinical practice, with a history of engaging in informative public presentations, publishing detailed medical research, and volunteering his services in Venezuela. His credentials include specialized designations such as Civil Surgeon Designation by USCIS, Department of Homeland Security, and Certified Medical Examiner through the US Department of Transportation. Additionally, he proudly serves as the appointed Medical Director at Bright Future Mental Health in Lake Worth, Florida.

In addition to his professional accomplishments, Dr. Albornoz is fluent in both English and Spanish, facilitating seamless communication with patients from diverse backgrounds. His multilingual abilities reflect MSPB's commitment to providing inclusive and patient-centered care to the community.
