

Arthur Greyf, DDS, FICOI: Specialist in Robotic Dental Implant, Cosmetic & Laser Dentistry

Leading Millburn Dentist Delivers Exceptional Dental Services for Optimal Oral Health and Aesthetic Smiles

New York City, New York Jul 19, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Arthur Greyf is a renowned implant cosmetic dentist whose kindness, professionalism, and commitment to excellence have earned him the trust and loyalty of his patients. Since establishing his practice in Millburn, New Jersey in 2000, Dr. Greyf has been at the forefront of modern dentistry, seamlessly blending cutting-edge technology with

personalized care to provide his patients with beautiful smiles and optimal oral health.

With a strong emphasis on staying up-to-date with the latest advancements in dental care, Dr. Greyf's practice is equipped with state-of-the-art equipment and techniques that enable him to deliver exceptional results efficiently. From digitally-assisted root canal therapy to robotic-assisted implant surgery, he offers a comprehensive range of services that cater to each patient's unique needs.

Dr. Greyf's journey in dentistry began at New York University College of Dentistry, where he completed an accelerated Doctor of Dental Surgery program in just six years. His passion for dental implants was ignited during his general practice residency at Maimonides Medical Center, setting him on a path of continuous learning and growth in the field of implant dentistry.

Following his residency, Dr. Greyf accepted an attending position at Kings County Hospital Center and became an associate clinical professor at Downstate Medical Center, where he trained residents for five years. In 2002, he relocated to Manhattan and joined the staff at Metropolitan Hospital Center. There, he founded a laser dentistry program and became an early adopter of Biolase lasers.

As a Fellow of the International Congress of Oral Implantologists, a graduate of the esteemed Misch Implant Institute, and a member of the Modern Optimized Dentistry (MOD) Institute, Dr. Greyf's expertise is further solidified by his active involvement in professional organizations and ongoing education. His commitment to excellence extends beyond the dental chair, as he serves on the boards of the Russian American Dental Association and the Museum of Human Rights.

A native of St. Petersburg, Russia, Dr. Greyf has called New York City home for over three decades. Much of his free time is spent with his wife, who is a lawyer, and their two daughters.

Balancing his professional pursuits with a rich tapestry of personal interests, Dr. Greyf enjoys attending opera performances, exploring theater productions, and immersing himself in museums. A fine dining and wine connoisseur, he actively seeks culinary experiences and adds to his wine collection through his travels.

Whether it's a routine check-up or a complex dental procedure, Dr. Greyf's unwavering dedication to transforming smiles and restoring dental health remains the cornerstone of his practice. With a blend of expertise, compassion, and a commitment to excellence, Dr. Greyf continues to be a beacon of light in the world of implant cosmetic dentistry.
