

Beth Curry Unveils Twin Compilations of Gripping Short Stories

"Autopsy of the Mind" and "Dissection of the Soul" set to captivate readers this fall

Toronto, Ontario Jul 11, 2024 ([IssueWire.com](https://www.issuewire.com)) - Acclaimed author Beth Curry is set to release two compelling collections of short stories, "Autopsy of the Mind" and "Dissection of the Soul," on September 1, 2024. These compilations promise to take readers on a thrilling journey through the realms of psychological suspense and murder mystery.

Both books showcase Curry's versatility as a writer, featuring a diverse array of short stories that span from chilling psychological thrillers to intricate murder mysteries and beyond. Readers can expect to be enthralled by Curry's masterful storytelling and deep exploration of the human psyche.

"Autopsy of the Mind" and "Dissection of the Soul" will be available in paperback and Kindle formats exclusively on Amazon. Eager fans can pre-order the Kindle versions now to secure their copies for the September 1 release date.

To stay updated on book signings, interviews, and other events related to these releases, readers are encouraged to follow Beth Curry's official Facebook page at www.facebook.com/AuthorBethCurry.

About the Author:

Beth Curry is a multifaceted professional with a rich background in forensics, criminology, and forensic psychology. Currently on sabbatical, she has transitioned to become a health and lifestyle coach, drawing from her personal experience of losing 200 pounds. Beth's diverse skill set includes certifications in naturopathic medicine, Reiki mastery in the traditional Usui Shiki Ryoho system, and ordination as a minister.

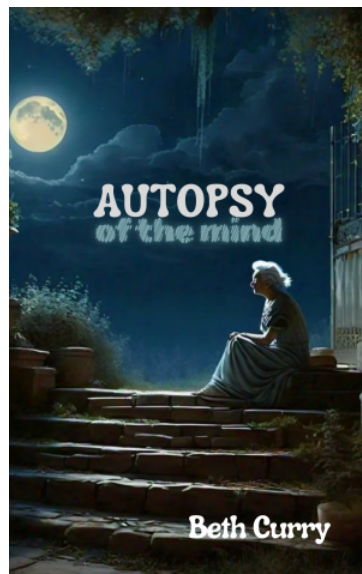

With a professional history in the medical and psychiatry fields, Beth published her first book, "The Broken Heart," in 2008—a deeply personal story of loss, illness, and miracles. Her latest works, "Autopsy of the Mind" and "Dissection of the Soul," reflect her lifelong passion for law enforcement and her dedication to cold case investigations.

Beth's writing is characterized by her depth of knowledge and personal experiences. When not writing, she enjoys nature, traveling, music, baking, and spending time with friends and family. Her love for fine wine, good whiskey, and impressive charcuterie boards adds a touch of connoisseurship to her already diverse persona.

AUTOPSY Of The Mind

Enter the dark recesses of the human psyche with this gripping anthology of mysteries, mind benders, and psychological thrillers. Inspired by the author's background in forensic work and cold cases these tales will keep you reading.

With a unique blend of intrigue, suspense, and unpredictability, each story will challenge your perceptions and leave you questioning the truth. Some cases will be solved, but others will remain unsolved, leaving you thinking long after you finish reading.

Beth has experience in forensics, criminology, psychiatry, and psychology, and a keen interest in cold cases and the human mind. Her passion for understanding the criminal mind drives her exploration of human nature through writing. Beth's preference for short stories reflects her short attention span. Beth was a young writer, but as an adult she began writing again as an escape from caring for her mother with dementia. An animal lover and advocate for helping others, Beth cherishes her family, friends, and life's simpler pleasures.

DISSECTION Of The Soul

Enter, once again, the dark recesses of the human psyche with this second anthology of mysteries, mind benders, and psychological thrillers. Inspired by the author's background in forensic work and cold cases these tales will keep you reading.

A follow-up to Autopsy Of The Mind, this is another unique blend of intrigue, suspense, and unpredictability, where each story will challenge your perceptions and leave you questioning the truth. Some cases will be solved, but others will remain unsolved, leaving you thinking long after you finish reading.
