Washington, D.C, District of Columbia Jul 28, 2024 ([IssueWire.com](https://www.IssueWire.com)) - We are thrilled to announce that the *Faces of Rap Mothers* and *Faces of Rap Fathers* brands will be attending the prestigious *West Coast Hip Hop Awards* on August 31, 2024. This event, created by Octavius Miller and sponsored by the legendary Snoop Dogg, promises to be a celebration of hip hop culture and talent.

Introducing Adria Sheri English

We are honored to welcome Adria Sheri English as the newest member of the *Faces of Rap Mothers*. Adria's journey is one of resilience and courage. For six years, she lived and worked with Sean Combs (P. Diddy), during which time she endured unimaginable hardships, including being trafficked. Despite these challenges, Adria has emerged as a powerful voice and advocate.

Adria's story took a shocking turn when evidence garnered by the Federal Bureau of Investigation (FBI) and the Department of Homeland Security (DHS) surfaced of her being drugged and filmed without her consent, involving high-profile individuals, including former President Donald J. Trump. Adria has bravely come forward, sharing her experiences to shed light on the dark realities of human trafficking and abuse within the entertainment industry. Her courage in speaking out is a testament to her strength and determination to seek justice - she has filed a \$50M lawsuit in the State of New York.

As a new member of the *Faces of Rap Mothers*, Adria will be speaking at the *West Coast Hip Hop Awards*, where she will share her story and inspire others with her resilience. Her presence at the event underscores the importance of addressing and combating human trafficking and abuse.
