

Danish Equbal: Leading the Tech Revolution in Real Estate Industry

Danish Equbal is transforming real estate with Brickfolio Pvt Ltd. Founded in 2017, Brickfolio offers innovative property management, consulting, and investment solutions, setting new industry standards with advanced CRM technology.

Pune, Maharashtra Jul 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - [Danish Equbal](#), a real estate entrepreneur, is transforming the property management and investment industry. Born on November 9, 1989, in Medininagar, Jharkhand, India, Danish has risen from humble beginnings to become a pioneering force in real estate.

From a young age, Danish Equbal exhibited a keen interest in property management and investment. His journey began in Medininagar, where he completed his secondary education under the Jharkhand State Board. Seeking higher education, he moved to Nagpur and earned a Bachelor of Business Administration (BBA) from Rashtrasant Tukadoji Maharaj Nagpur University in 2011. He further honed his skills with a Master of Business Administration (MBA) from Savitribai Phule Pune University.

In 2017, Danish Equbal founded Brickfolio Pvt Ltd, a real estate firm recognised for its innovative approach to property management and investment. Under his visionary leadership, Brickfolio provides comprehensive real estate solutions, including commercial and residential consulting, property management, and managed office services. The firm stands out for its advanced use of CRM software,

ensuring a seamless property search and acquisition experience for clients.

Brickfolio's unique services, such as free pick-up and drop, site visits, loan assistance, and post-sales support, set it apart in the competitive real estate market. Danish Equbal's strategic vision and resilience have driven the firm's rapid growth and success, even during challenging times. The company's well-structured pre-sales department provides self-generated, filtered leads, ensuring clients receive the best deals and unparalleled support.

Looking ahead, Brickfolio is set to launch innovative products and services aimed at enhancing the consumer experience. As strategic marketing partners with top-notch builders and developers, Brickfolio offers unique advantages in the market, focusing on commercial and residential real estate, investment, leasing, and pre-leasing. The firm's post-sales service handles agreement formalities, ensuring a hassle-free experience for clients.

Brickfolio envisions substantial growth in metro cities, aiming to be the go-to solution for individuals seeking the right residential and commercial properties. Danish Equbal's commitment to excellence and client satisfaction continues to drive Brickfolio's expansion strategy, setting new standards in the real estate industry.
