

D.B. Gibb's Science Fiction Novel, The Heroes of February 22nd Released Today

Hardback and paperback editions now available

Salt Lake City, Utah Jul 8, 2024 ([IssueWire.com](https://www.issuewire.com)) - The author, D.B. Gibb, announces his debut YA science fiction and adventure novel, **The Heroes of February 22nd, Volume 1** (the first book of The Abductee Chronicles series) is now available on Amazon in hardback and paperback editions, and wholesale via Ingram Content Group for booksellers.

Released by World Castle Publishing, **The Heroes of February 22nd, Volume 1** focuses on fourteen-year-old Zach Davidson. Abandoned by his father and raised by a single mom working three jobs weighed constantly on Zach's mind. Being a late-bloomer, black, and bisexual from a small Utah town brought additional challenges—until he got abducted by aliens. Then things got crazy.

Early reviews about The Heroes of February 22nd have been overwhelmingly positive:

'I started it last night and didn't put it down till I was done.'

-Janalyn P. on Goodreads.com.

'The Heroes of February 22nd is a highly recommended, captivating read that seamlessly blends action-packed thrills with thought-provoking themes and quality writing.'

-K.C. Finn on Readers' Favorite.

'...memorable not only for its refreshing plot but also for its emotional and inclusive storytelling.'

- Parul Sood on Readers' Favorite.

'I enjoyed going on this adventure and am excited to read the next chapter in this series.'

-Kat M on Goodreads.com.

Press and media members, booksellers, librarians, educators, and vloggers/bloggers can request their complimentary **Advance Reader Copy** (ARC) of The Heroes of February 22nd, Volume 1 via [NetGalley](#).

The eBook version of The Heroes of February 22nd, Volume 1 is available for pre-order on [Amazon](#), [Barnes & Noble](#), and other retailers before its August 27, 2024 release.

ABOUT

D.B. Gibb is an international business professional and debut author of The Heroes of February 22nd, Volume I. He studied international relations and Chinese in college, and later completed graduate work in international trade. Enriched by his extensive travels and fascination with history, politics, culture, and the human condition, D.B. Gibb weaves compelling narratives that transport readers to diverse worlds.

Born in Salt Lake City, he spent his formative years in Southern California before returning to his Utah roots. Throughout his adult life, D.B. has called Hong Kong, Taiwan, Texas, and Virginia home, yet he

finds himself drawn back to the scenic mountains and red rock deserts of Utah.

[World Castle Publishing, LLC](#) opened its book publishing doors in March 2011. Its ultimate goal is to produce top quality novels for all readers.
