About MAS Prakruthi

Located at #13, Pemma Gowda Road, JC Nagar, Bangalore, MAS Prakruthi is a sanctuary of holistic healing. Our clinic is committed to providing personalized care and treatments that address the root causes of health issues, helping our clients achieve optimal health and balance.

Our Services

Dr. Mohammed Abubaker Siddiq, a highly skilled practitioner, offers a variety of holistic therapies, including:

- **Acupuncture:** A traditional Chinese medicine technique that balances the body's energy flow to relieve pain and improve health.
- **Cupping Therapy:** An ancient practice that enhances circulation and promotes healing through suction.
- **Hijama (Wet Cupping):** A method of detoxification that removes harmful toxins from the body.
- **Body Massage:** Therapeutic massages are tailored to relieve stress, and tension, and improve overall relaxation.
- **Gua Sha Massage:** A traditional technique that detoxifies and improves circulation.
- **Su Jok Therapy:** A holistic approach using hand and foot acupressure to stimulate healing.
- **Chiropractic Care:** Aligning the spine to enhance overall well-being and mobility.
- **Reflexology:** Promotes relaxation, improves circulation, and supports wellness through pressure points on the feet.
- **Infertility Treatments:** Utilizing holistic methods to address and improve fertility issues, supporting couples on their journey to parenthood.
