SIMPLE RICH PEOPLE

SHEKHAR CHOPRA
EDITED BY DIYA CHOPRA

Fremont, California Jul 16, 2024 ([Issuewire.com](https://www.issuewire.com)) - Building wealth and feeling rich is within everyone's reach, and Shekhar Chopra's new book, [Simple Rich People](#), provides the roadmap to achieve it. This insightful guide simplifies the process of becoming wealthy and feeling rich, laying out clear processes and metrics that require no prior financial knowledge.

Simple Rich People is dedicated to elevating the human experience by sharing ideas and habits that build wealth, inspire self-confidence, and spread happiness. The book emphasizes financial education and a mindset shift, challenging conventional views on money and encouraging readers to think differently about financial independence and wealth accumulation.

Shekhar Chopra's book highlights how the journey of building wealth uniquely impacts financial empowerment, character development, and overall quality of life. It presents a fresh perspective on financial education, making it accessible and relatable to a broad audience.

In a recent interview on America Tonight Radio with Emmy Award-winning host Kate Delaney, Shekhar Chopra discussed the principles outlined in Simple Rich People and shared his insights on how anyone can achieve financial success and personal fulfillment. The interview delved into the core themes of the book, providing listeners with a glimpse of the transformative knowledge contained within its pages.

About the Author:

Shekhar Chopra has twenty years of experience in procurement and business negotiations at Fortune 500 companies, including Deloitte Consulting, Yahoo, eBay, Kaiser Permanente, Splunk, and Novellus.

He has built wealth from the ground up through discipline, courage, and experimentation. Chopra did not create new software, invent a new drug, or sell investments on Wall Street. Instead, Simple Rich People shares the methodologies and frameworks he used to achieve his success and aims to guide others on their journey.

He is devoted to elevating financial literacy in communities and helping people of all backgrounds live richer, simpler lives and improve their quality of life. Chopra believes in the potential to expand financial literacy for readers of all socio-economic backgrounds, fostering self-belief and self-reliance.
