Clifton, New Jersey Jul 5, 2024 ([Issuewire.com](https://www.issuewire.com)) - Gold Standard Medical Group is proud to announce the launch of our extensive range of healthcare services designed to cater to the diverse needs of our community. Located at 992 Clifton Ave #1, Clifton, NJ 07013, our clinic is committed to providing exceptional medical care through a wide array of treatments and services.

Primary Medical Treatment and Telemedicine

At Gold Standard Medical Group, we prioritize accessibility and convenience for our patients. Our primary medical treatment services are complemented by cutting-edge telemedicine options, ensuring you receive expert medical care from the comfort of your home.

Wellness & Preventative Medicine

Our wellness and preventative medicine programs are designed to help you maintain optimal health and prevent the onset of chronic conditions. We offer comprehensive annual exams and physical exams, tailored to meet the specific health needs of each patient.

Specialized Medical Services

We specialize in a variety of medical fields, including:

- Nutrition/Weight Loss: Personalized plans to help you achieve and maintain a healthy weight.
- Skin Problems: Effective treatments for various skin conditions.
- Pre-Operative Surgical Clearances: Thorough evaluations to ensure you are ready for surgery.
- Endocrinology: Expert care for hormonal disorders.
- Allergies: Comprehensive allergy testing and treatment.
- Geriatrics: Specialized care for elderly patients.
- Cardiology: Advanced care for heart-related conditions.
- Neurology and Neuropathy Pain Treatment: Expert diagnosis and treatment for neurological conditions and nerve pain.
- Chronic Disease Management: Ongoing care for chronic illnesses.
- Counseling: Professional mental health support.

Innovative Treatments

We are at the forefront of medical innovation, offering cutting-edge treatments such as:

- Ketamine Treatment: Advanced therapy for depression and chronic pain.
- Outpatient Addiction Treatment & OBAT (Office-Based Addiction Treatment): Comprehensive addiction recovery programs.
- Medication Assisted Treatment (MAT): Evidence-based treatment for substance use disorders.

Psychiatric Treatment and Addiction Treatment

Our dedicated team of mental health professionals provides comprehensive psychiatric and addiction treatment services, helping patients achieve long-term recovery and improved mental health.

Testing/Diagnostics

Gold Standard Medical Group offers state-of-the-art testing and diagnostic services to ensure accurate and timely diagnosis of various health conditions.
