

Ignite Counseling Colorado Wins Best of Colorado 2024 for Behavioral Health Therapy

IGNITE

COUNSELING

DENVER, COLORADO

Westminster, Colorado Jul 12, 2024 ([IssueWire.com](https://www.issuewire.com)) - Ignite Counseling Colorado is proud to announce its recognition as the winner of the Best of Colorado 2024 award for Behavioral Health Therapy.

This prestigious accolade comes on the heels of the practice's consecutive wins as Best of Westminster Mental Health Therapy in 2022 and 2023, solidifying its reputation as a leading provider of mental health services in the region.

Based in Westminster, Ignite Counseling Colorado offers comprehensive care and treatment for a wide range of issues, including obsessive-compulsive disorder, trauma, and addictions. The team of expert therapists at Ignite Counseling Colorado is dedicated to facilitating healing through empathetic support, enabling clients to access their inner healing resources through humor, compassion, and advanced therapeutic techniques.

"Ignite Counseling Colorado's mission is to provide high-quality, compassionate mental health care to our community," said Carla D'Agostino-Vigil, Founder and Clinical Director. "Winning the Best of Colorado 2024 award is a testament to the hard work and dedication of our incredible team. We are honored to be recognized and will continue to strive for excellence in all that we do."

Ignite Counseling Colorado's services include group therapy workshops, individual and couples therapy, and specialized treatment for depression, anxiety, and adjustment concerns. The practice is committed to creating a supportive and welcoming environment where clients can feel safe to explore their challenges and work towards meaningful change.

In addition to their therapeutic services, ICC's sister company, Ignite Center for Mental Health Leadership, provides strategic practice owner consultation - aimed at elevating team culture, performance, and profitability. This initiative reflects the practice's commitment to professional development and community building within the mental health field.
