

India's Best Design Awards 2024 Honour India's Top Design Projects, Design Studios & Design Houses

Pune, Maharashtra Jul 30, 2024 ([IssueWire.com](https://www.issuewire.com)) - The prestigious “India’s Best Design Awards 2024” honours the outstanding achievements of Indian Designers, Design Studios, and Design Houses. Established in 2015, the awards recognise exceptional talent across a diverse range of categories and shine the spotlight on the faces behind some of the most iconic brands and designs. Presented in three distinct categories, the awards set a standard of excellence for the industry.

With past winners that include the likes of Tata Motors Design, Hyundai Motor India, V-Guard Industries, Havells, and Dabur, this year’s edition showcases the winning design projects, design studios, and design houses that address the evolving needs of modern society through design.

India's Best In-house Design Studios 2024

Four in-house design studios have won the honour this year:

Ather Energy, Decode Age, V Guard Industries, and Wipro Enterprises.

India's Best Design Students 2024

The India's Best Design Students 2024 award is a stepping stone for personal and professional growth for India's design students. It offers young designers the chance to gain exposure, learn from industry experts, and build a network that can support their future in the world of design. This year we received entries from numerous well-known design schools around the country like the National Institute of Design; National Institute of Fashion Technology; Institute of Design, Nirma University; Srishti Manipal Institute of Art, Design and Technology; MIT Art, Design & Technology University; Symbiosis Institute of Design; Pearl Academy; GLS Institute of Design; Emily Carr University of Art + Design; McGraw Hill School of Architecture; United World Institute of Design (UID); Strate School of Design; Savannah College of Art & Design, Savannah.

Find the complete list of India's Best Design Students 2024 on our website: <https://ibda.design-india.com/winners-list-2024/> "We've been hosting India's Best Design Awards for the last 10 years. For these awards, we have a respected jury of well-known academicians from India and other countries who judge the entries on their merit. The winning designs set the benchmark for the industry, inspiring the next generations of designers to step up their design game."

–Sudhir Sharma, Founder – IndiDesign & DesignIndia

Envisioning the Future of Design at The DesignIndia Show 2024

The Awards Ceremony is held during The DesignIndia Show (TDS). TDS brings together influential leaders from the design, business, and education fields for a day of thought-provoking discussions on the future of design. Started in 2016, The DesignIndia Show is a reputed platform for innovation, inspiration, and networking for designers in India. The theme for this year, "HumaIn," explores the integration of AI into design, envisioning a future where AI empowers humanity.

About India's Best Design Awards

India's Best Design Awards are organised by IndiDesign and DesignIndia to encourage and empower India's design community. DesignIndia is India's largest online community for designers which offers a curated platform for Indian designers with the DesignIndia Magazine. Published by IndiDesign, the DesignIndia magazine is a one-of-its-kind design publication that highlighted excellence across various design disciplines in 144 issues over 12 years.

India's Best Design Awards 2024 and The DesignIndia Show 2024 are set to take place on 31st August 2024. Check websites for details:
