

# Indie Playtest Fest Launches August 1st

Playtest Indie Games in Development for a Chance to Win Cash Prizes

Keuruu, Keski-Suomi Jul 31, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Who:

The Indie Playtest Fest is an event intending to bring together indie game developers and gamers. This event offers indie developers, many of whom are launching their first commercial titles, the opportunity to receive valuable feedback directly from players.

## What:

Starting August 1st, gamers will have the chance to playtest indie games still in development. The event features games across various genres and styles.

## What Makes This Different:

Each game in the Indie Playtest Fest will host its own raffle, offering cash prizes to playtesters. Each developer will manage their own raffle, including entry requirements and prize details. Check each game's rewards info pages from [www.indieplaytestfest.com](http://www.indieplaytestfest.com) for more information.

## When:

Playtests for these games will start on August 1st. While many games will be available for a one-month playtesting period, some will have shorter durations.

## Where:

Online at [www.indieplaytestfest.com](http://www.indieplaytestfest.com), with most games available on the Steam marketplace and primarily for PC.

## Why:

The Indie Playtest Fest aims to provide valuable feedback for developing games and promote indie titles. It also helps foster a community around these emerging games.

## About Indie Playtest Fest:

The Indie Playtest Fest is a newly launched event, held for the first time this year. It aims to connect indie game developers with gamers for playtesting, providing a platform for feedback and promotion. The Fest supports the growth of indie games and the creativity within the indie gaming community.

## Ready to Play and Win?

If you're interested in playtesting indie games and potentially winning cash prizes, visit [www.indieplaytestfest.com](http://www.indieplaytestfest.com) and start playing from August 1st.
