

ISCPO Announces Pinkerton as a Preferred Vendor Partner

ISCPO Welcomes Global Security Leader To Further Boost Supply Chain Security

Dallas, Texas Jul 17, 2024 ([IssueWire.com](https://www.issuewire.com)) - Today, the International Supply Chain Protection Organization (ISCPO) proudly announces the exciting addition of [Pinkerton](https://www.pinkerton.com) as a preferred vendor partner. With the increasing risk of cargo theft, ISCPO members rely on various vendors to provide layers of security. Driven by its commitment to continuous improvement, ISCPO is dedicated to expanding its array of vendor solutions, harnessing proven products, and staying at the forefront of industry best practices. This international partnership with Pinkerton as a preferred vendor helps its members reduce cargo theft and pilferage, protect brand reputation, and limit supply chain interruptions.

For ISCPO members, partnering with Pinkerton can better safeguard facilities, yards, cargo, and assets. A global provider of comprehensive risk management services since 1850, Pinkerton specializes in best-in-class investigations, deterring and reducing threats through high-level security strategies.

“Pinkerton has a proven track record of providing the expert counsel and best-in-class solutions that clients in the supply chain industry can count on to safeguard personnel, products, and facilities,” said Jack Zahran, CEO at Pinkerton. “By working alongside ISCPO, we will be able to help members reduce loss and protect every aspect of their businesses.”

As a preferred vendor partner of ISCPO, Pinkerton will offer solutions and engage in discussions about innovative ways to combat cargo theft, administrative losses, workplace violence, and on-premises theft.

For more information about Pinkerton’s services, please visit [pinkerton.com](https://www.pinkerton.com).

About Pinkerton:

Since 1850, Pinkerton has brought expertise that extends beyond conducting best-in-class investigations. We help deter and reduce threats by formulating high-level security strategies and plans. Our global network offers a single source for your risk management and security needs — investigations, risk consulting, and protection — whether strategic or tactical, incident-driven or full-time with embedded subject matter experts. This empowers us to continuously assess the risk to your people and places, design high-level security strategies, and deliver the right solution for you, anywhere in the world, 24/7/365.
