

IVS School of Art & Design Announces New Interior Design and Architecture Courses in Dehradun

Dehradun, Uttarakhand Jul 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dehradun, 8 July 2024 – **IVS School of Art & Design** is thrilled to announce the launch of new courses in Interior Design and Architecture at our Dehradun campus. This expansion marks an exciting chapter for IVS, as we bring our renowned expertise in art and design education to a new location.

About IVS School of Art & Design

[IVS School of Art & Design](https://www.issuewire.com), established in 1996, has a longstanding reputation for excellence in art and design education. For over 28 years, we have been committed to nurturing creativity and innovation, preparing students for successful careers in the creative industries. Our curriculum combines traditional design principles with modern techniques and technologies, ensuring students receive a comprehensive and relevant education.

Why Dehradun?

Dehradun, known for its rich educational landscape and picturesque surroundings, offers an ideal setting for our new courses. The city's vibrant academic environment and growing demand for skilled professionals in interior design and architecture make it a perfect location for IVS's expansion. By establishing a presence in Dehradun, IVS aims to make high-quality design education more accessible to aspiring designers in the region.

New Courses Offered

Interior Design

Our Interior Design course is designed to provide students with a deep understanding of the aesthetics, functionality, and technical aspects of designing interior spaces. The curriculum covers various topics, including space planning, material selection, lighting design, and sustainable practices. Students will engage in hands-on projects, allowing them to apply their knowledge to real-world scenarios and develop their unique design style.

Architecture

The Architecture course at IVS aims to equip students with the skills needed to create innovative and functional architectural designs. The program emphasizes both theoretical knowledge and practical application, covering areas such as architectural history, building construction, urban planning, and environmental design. Students will have the opportunity to work on design projects, enhancing their problem-solving abilities and preparing them for diverse career paths in architecture.

Experienced Faculty and State-of-the-Art Facilities

At IVS, we pride ourselves on having a team of experienced faculty members who bring a wealth of industry knowledge and academic excellence to the classroom. Our instructors are dedicated to mentoring students, fostering their creativity, and guiding them toward professional success.

The Dehradun campus is equipped with state-of-the-art facilities, including design studios, computer labs, and a resource library. These resources provide students with a conducive learning environment, enabling them to explore their creative potential and achieve their academic goals.

Enrollment Information

Enrollment for the new Interior Design and Architecture courses is now open. Prospective students are encouraged to visit our website for detailed information about the programs, admission requirements, and application procedures. We also offer campus tours and information sessions to help students make informed decisions about their education.

IVS School of Art & Design is excited to bring our tradition of excellence in design education to Dehradun. We look forward to welcoming a new generation of creative minds and helping them shape the future of interior design and architecture.
