

Join the Educational Revolution with IFERP at EdInnovate 2024

Join IFERP at EdInnovate 2024 and be part of the academic revolution shaping the future. Explore modern innovations, interact with enterprise leaders, and collaborate on transformative thoughts in education.

Tokyo, Japan Jul 16, 2024 ([IssueWire.com](https://www.issuewire.com)) - The International Forum for Educational Research and Publishing (IFERP) is happy to announce its participation in EdInnovate 2024, a pioneering occasion committed to shaping the **FUTURE** of education through innovative studies and technology. This year, IFERP will showcase its dedication to advancing [educational research](#) and offering crucial resources for educators and researchers.

At EdInnovate 2024, attendees will discover how IFERP supports researchers with access to high-quality publications, including our esteemed **Scopus journal**. Focusing on enhancing the academic landscape, IFERP aims to empower scholars and educators to contribute meaningful insights that can transform educational practices globally.

Participants will be able to engage with IFERP's dedicated team, who will provide invaluable **research assistance** and guidance on navigating the complexities of academic publishing. Our experts will be on hand to discuss how IFERP can aid your educational journey, from research design to publication in reputable journals.

Key Highlights at EdInnovate 2024:

- **Workshops and Seminars:** Attend sessions led by thought leaders in educational research.
- **Networking Opportunities:** Connect with fellow educators, researchers, and industry professionals.
- **Expert Guidance:** Receive tailored research assistance to help you succeed in your academic endeavours.

Join us at EdInnovate 2024 and join the educational revolution! Together, we can drive positive change and innovation in education.
