Helping Families Achieve Real Estate Goals through Aggressive Negotiation with Stellar Customer Service

New York City, New York Jul 5, 2024 ([Issuewire.com](https://www.issuewire.com)) - Kelly Ackley, the esteemed Global Sales Advisor at Premier Sotheby's International Realty in Indian Shores, Florida, has established herself as a leading figure in the real estate industry. Her journey began as a broker assistant, where she quickly discovered her deep-seated passion for real estate. Motivated by this passion, Kelly obtained her

license and now offers a range of comprehensive services tailored to buyers, sellers, and investors alike. From staging and estate sales to providing a meticulously vetted vendor list, she ensures that her clients' needs are not only met but exceeded with seamless precision.

Kelly's unwavering commitment to enhancing her clients' real estate experiences is palpable in every interaction. She realized early in her career that it was the relationships with clients that fed her, not just the sales. She understands clients continue to live a stressful and busy life throughout their real estate transactions. It's Kelly's passion to alleviate the stress commonly associated with real estate transactions, fostering a safe, secure, and well-informed environment for her clients to thrive in.

Beyond her professional endeavors, Kelly's ties to the community run deep, reflected in her active volunteerism at local schools, membership in two Chamber of Commerce groups, and regular networking with other professionals. A devoted mother of three, she takes immense pride in her children's accomplishments — her son, a former Nuclear Engineer with the US Navy, and her daughters, Zoe and Kaitlyn, both diligently pursuing their academic aspirations in college.

In her leisure time, Kelly revels in a myriad of outdoor pursuits, from practicing hot yoga to kayaking, boating, hiking, paddle boarding, and reading. Embracing the quintessential Florida lifestyle that captivated her during childhood vacations at Indian Rocks Beach, she embodies a zest for life that permeates every aspect of her being.
