Chennai, Tamil Nadu Jul 9, 2024 (Issuewire.com) - M2Y Global Academy Launches Innovative Occupational Health and Safety Training Programs

M2Y Global Academy, a leader in [Occupational Health and Safety training](#), is proud to announce

the launch of its new and innovative training programs. These programs are designed to meet the growing need for effective workplace safety and health management across India and the UAE.

M2Y Global Academy offers a wide range of courses, including internationally recognized certifications such as NEBOSH, IOSH, and other specialized safety training programs. These courses are structured to provide practical, hands-on training, equipping participants with the necessary skills to manage and mitigate workplace hazards effectively.

The Academy's state-of-the-art training facilities and experienced instructors ensure that participants receive a high-quality educational experience. The programs are available in various formats, including in-person classroom sessions, online courses, and blended learning options, providing flexibility to suit different learning preferences and schedules.

"At M2Y Global Academy, we are dedicated to improving workplace safety through comprehensive education and training," said Dr. Mohamed Ali Jinna, CEO of M2Y Global Academy. "Our new training programs are designed to empower professionals with the tools they need to implement effective safety practices and create healthier work environments. We are committed to offering the highest quality training to meet the dynamic needs of today's workforce."

In addition to training programs, M2Y Global Academy offers consultancy services through M2Y Safety Consultancy, a registered trade name in Ras Al-Khaimah, UAE. This consultancy provides expert guidance and solutions in Quality, Health, Safety, and Environment (QHSE) management, helping businesses achieve compliance with both local and international safety regulations.

M2Y Global Academy's training programs are not only comprehensive but also accessible to a wide range of professionals. The Academy's focus on practical application ensures that learners can immediately apply their new skills in their workplaces, leading to safer and more efficient operations.

The Academy is committed to fostering a culture of safety and health, empowering organizations to protect their workforce and comply with regulatory standards. By providing high-quality training and consultancy services, M2Y Global Academy is making a significant contribution to the advancement of occupational health and safety practices in the region.

For more details about the new training programs and consultancy services provided by M2Y Global Academy, please visit <https://m2yacademy.com/> or contact +91 9677565114.
