

My Helpful Hints Small Business Directory Gets a Makeover. Partners with Versla Marketplace

Milton Keynes, Buckinghamshire Jul 3, 2024 ([Issuewire.com](https://www.issuewire.com)) - The My Helpful Hints Small Business Directory (MHHSBD), originally launched in July 2020, has undergone a significant makeover and partnered with Versla Marketplace to further empower independent small businesses and creatives worldwide.

The MHHSBD offers a comprehensive directory of independent businesses and creatives across the globe, encompassing a wide range of categories. With enhanced features like detailed business profiles, customer reviews, social media integration, and a seamless connection to Versla Marketplace, the MHHSBD empowers consumers to discover unique offerings and directly support independent businesses and creatives.

"We're excited to unveil the revamped MHHSBD and our partnership with Versla Marketplace," says Darren from My Helpful Hints. "This collaboration strengthens our commitment to fostering a thriving and connected landscape for independent businesses and creatives globally, while also providing them with improved SEO impact."

"Versla Marketplace is excited to work with MHHSBD to bring more opportunities to independent businesses," says Aaron, founder of Versla Marketplace. "This partnership is a significant step towards creating a more connected and supportive business environment."

The MHHSBD offers significant benefits for independent small businesses and creatives, including:

- Increased global visibility and online presence.
- Enhanced credibility through customer reviews.
- Direct connection with potential customers worldwide.
- Cost-effective marketing opportunities.
- Access to a wider customer base through Versla Marketplace integration.
- Improved SEO for business listings.
- Free 14-day trial of the MHHSBD with access to all features.

Consumers can browse the MHHSBD by category, location, or keyword search, making it easy to find unique products and services from independent businesses and creatives around the world.

The directory also features a user-friendly review system, allowing customers to share their experiences and support the global independent business community.

The revamped MHHSBD and its partnership with Versla Marketplace is a welcome development for the global business landscape, providing a powerful platform for independent businesses and creatives to thrive and consumers to discover unique offerings.

All independent small businesses and creatives of any kind can sign up for the free 14-day trial of the MHHSBD today and experience the benefits of increased visibility, improved SEO, and direct connections with potential customers worldwide.

Let's empower all small businesses and connect them with the consumers who love them!
