

Nabeel Ahmed, MD: Mastering Kidney Health at The Centers for Kidney Care

Bringing Expertise in Acute Kidney Injury and Dialysis Access Intervention to Tyler, Texas

New York City, New York Jul 17, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Nabeel Ahmed is a highly esteemed board certified nephrologist with The Centers for Kidney Care, where he has been providing exceptional care since 1999. Operating out of the office in Tyler, Texas, Dr. Ahmed's dedication to his field of practice has made him a trusted physician in the community.

With a special interest in acute kidney injury and dialysis access intervention, Dr. Ahmed brings a wealth of knowledge and experience to his patients. His commitment to excellence is evident through his active staff positions at UT Health Tyler and CHRISTUS Mother Frances Hospital – Tyler, where he serves on the Pharmacy and Therapeutics Committee. Additionally, he holds courtesy privileges at Paris Regional Medical Center and Palestine Regional Medical Center, further extending his reach to provide quality care to those in need.

Born in Pakistan and raised in Houston, Texas, Dr. Ahmed's journey to becoming a nephrologist has been nothing short of remarkable. After graduating from high school, he pursued his Medical Degree at Allama Iqbal Medical College in Lahore, Pakistan. Driven by his passion for medicine, he went on to complete his internal medicine internship and residency at the University of Nevada – Reno, followed by a nephrology fellowship at The University of Texas Southwestern Medical Center in Dallas.

In addition to being a board certified nephrologist and certified Dialysis Access Interventionist, Dr. Ahmed is a proud member of esteemed medical organizations such as the American Society of Diagnostic and Interventional Nephrology, the Smith County Medical Society, the Renal Physicians Association, and the Texas Medical Association. His dedication to advancing the field of nephrology and providing compassionate care to his patients is truly commendable.
