

NICMAR Unveils New AICTE Campus in Delhi-NCR

NICMAR Delhi-NCR : Revolutionising Construction Management Education with State-of-the-Art Facilities and Innovative Programs

New Delhi, Delhi Jul 12, 2024 ([IssueWire.com](https://www.issuewire.com)) - **National Institute of Construction Management and Research (NICMAR)** proudly announces the launch of its new AICTE-approved campus in the vibrant and strategically located Delhi-NCR region. This expansion marks a significant milestone in NICMAR's mission to provide top-tier education in construction, real estate, infrastructure, and project management.

The new **Delhi-NCR campus is equipped with cutting-edge facilities** designed to foster an environment of learning, innovation, and excellence. Highlights include advanced laboratories for construction materials, structural engineering, and project management, interactive and digitally equipped smart classrooms, a dedicated research and development center for pioneering research and industry collaborations, a modern library with a comprehensive collection of books, journals, and digital resources, and comfortable and secure on-campus student housing.

NICMAR's Delhi-NCR campus will offer a variety of AICTE-approved programs tailored to meet the evolving needs of the construction and infrastructure sectors. These programs include PGDM with specializations in Advanced Construction Management (ACM) and Advanced Project Management (APM), and PGCM with specialization in Quantity Surveying and Contract Management (QSCM). **The institute's pedagogy** emphasizes a blend of theoretical knowledge and practical skills, preparing

students for leadership roles in the industry.

NICMAR boasts a stellar 100% **placement record**, with average salary packages ranging from INR 8 to 12 lakhs per annum and the highest packages reaching up to INR 28 lakhs per annum. Top recruiters include industry leaders like Larsen & Toubro, Shapoorji Pallonji, Godrej Properties, and Ernst & Young. The institute's comprehensive placement process features pre-placement talks, campus interviews, and offer letters, all supported by robust career services and an active alumni network, ensuring graduates are well-prepared and highly sought after in the construction, real estate, and infrastructure sectors.

Message from the Director General

Dr. Anil Kashyap, Director General, of NICMAR and President of NICMAR University, shared his excitement about the new campus launch: "We are thrilled to extend our educational footprint to the Delhi-NCR region. This new campus represents our commitment to delivering world-class education and training in construction and project management. We aim to create a hub of excellence where students and professionals can gain the knowledge, skills, and expertise required to lead and innovate in the industry. Our state-of-the-art facilities and innovative programs will empower the next generation of leaders in construction and infrastructure."
